attendance, which is similar to previous years. Thank you to Ivan English for his presentation on the Gordie Howe management area plans for our Vision 2020 home; it was well received. Membership feedback is to move ahead with the plans. It still needs to be very clear that we must get our main needs met, which is; further use of the Holiday Park Golf course.

b. Kate Germin will put the draft AGM minutes on the web site along with the proposed budget for 2017-18.

9. Adult/HiPer update – email report from Dan Brisbin

- a. Dan has talked to Kevin Robinson about the possibility of Eb's Source for Adventure offering membership benefits (discounts) and what conditions they'd ask for. He said he would talk to his partner and get back to us.

- c. The Saski MAP grant cheque has been mailed to the treasurer.
- d. Alison and Geoff Meinert will coach the Saskatoon team for the 2018 Saskatchewan Winter Games (Feb 21 to 24) in North Battleford (ski races at Blue Mountain).
- e. We have one new Level 2 official from the course in Waskesiu in September (Sarah Brisbin).
- f. Dan Brisbin will ask the program chairs to confirm that all coaches have passed criminal record and vulnerable records checks.
- g. SNSC will host the Provincial Championships on Feb 10 and 11, 2018. The plan is a distance race at Blackstrap and a sprint at Holiday Park or Wildwood. Banquet at Gordie Howe Facility.
- h. Dan Brisbin will be running another officials course and we need people to participate. For the size of our club, compared to others in the province we have a poor track record for graduating officials.

10. Youth training/Ski at school update

No report at this time

11. Adult instruction – Bruce Simms
 - a. Bruce has been contacted by the Saskatoon Hiking and Skiing Meetup Group. The group coordinator says they have about 200 members and they want to learn to ski. They wondered if we could supply lessons. The members do not want to join the club but want lessons. Bruce asks if perhaps we can give some kind of a deal on the lessons.
Plan: to encourage membership in our club for all the benefits especially that of skiing on well groomed trails. Reinforce that the membership fees are minimal and help to provide the equipment needed for volunteers to do their work. Bruce will look at planning a group lesson and membership deal.
 - b. Bruce will teach extra classes this year as he now has his CANSI certification. Cliff Speer will also continue to teach classes as before.
12. Hiking report – Sheryl Riis
The hikes have been great with good participation this year.
13. Old business
 - a. Website update
Lane has contacted Lesia of Lesia Designs and she feels that our website would need revamping completely. Lowell McLaren (a member) may be willing to help with this by working with a designer. All in agreement. Lane will contact him.
14. New business
 - a. Search for new accountant - The ad will go again in the Kivilski that we need a new volunteer to review the finances. Jeff will send Gail the contact details of a member who is an accountant.
 - b. Eb's Day is planned for Family Day weekend, Sunday, February 18, 2018.

- c. Gail Motsi feels that we should do something for Winter Shines this year. All in agreement. Plan: a one-day thing and hold it at the new Gordie Howe area. Encourage new Canadians. Use our supply of equipment to introduce skiing to the public. We will have displays and some small events. Maybe Jan 27th. Maybe in conjunction with the Speed Skaters marathon skate? Gail is willing to coordinate this.
 - d. Leisure Guide – Yes, we will go with the ad in the Leisure Guide again this year and Lane will submit it.
 - e. Gail has been participating in the Winter City Community Working Group. She will forward the link to the Winter City report to be discussed by the City on November 6th as well as an invitation from the Mayor to a Winter City Downtown design meeting on November 21st. She asked for permission from the executive to be identified as a representative of the SNSC on the City's website. Yes, we are all in favor.
15. Next meeting date – Jan 11, 2018. Place TBA.
16. Adjournment by Lane at 2100.
